Cupidity and Commercial sm. Some one down in West Virginia has plowed up a tomahawk which evidently had been carried to that locality away back in the seventeen hundreds by savages who went there from other localities and cleaned out their aboriginal enemy. The point of interest in the matter is that the weapon was not of Indian origin, but was of steel, and of such finished workmanship that it came from England, at that time the world's center of steel working. > MERE MATTER OF OBSERVATION. She Knew What Book It Was at "Copey" Found Out How.

Charles T. Copeland, Harvard's well-known reader, during the course of one of his lectures at Radcliffe college had occasion to read a page or two from a book, the name of which he took care not to mention. Stopping suddenly in the middle of a sentence, are a dozen in this room who can tell me the title of the book this is taken from. Can you, Miss A? Miss B? Next, next," he continued, rapidly running over some 15 scattered around the room, and of whom shook their heads with an "I don't know." At last he lighted on one seated directly in front of him. THEY CURE RHEUMATISM

Particularly Painful Form of This Disease Yields to Dr. Williams

Of the many forms which rheumatism takes, that which is popularly known as sciatic rheumatism probably tortures its victim more than any other. That Dr. Williams' Pink Pills have cured this stubborn as well as painful trouble is fact proven by the following statement and no sufferer who reads this can afford to let prejudice stand in the way of trying these blood-making pills.

Rheumatism is now generally cognized as a disease of the blood. Williams' Pink Pills make-actually make-pure blood. When the blood i pure there can be no rheumatism. Mrs. Watertown, N. Y., says:

"My trouble began with a severe cold which I took about a week before Christmas in 1904. I began to have rheumatic pains in my back and limbs up. I suffered the most awful pain for months and much of the time was unable to leave the house and I had to take "The disease was pronounced sciation rheumatism and, although I had a good physician and took his medicine faithfully, I did not get any better. After some six weeks of this terrible pain and suffering I tried Dr. Williams' Pink

After a few boxes the pain was never had any return of the trouble."
